Alabama's Wharf Ferris Wheel

On the other side of the spectrum is the Ferris wheel at the Wharf on [Alabama's](#) Intracoastal Waterway. Brand-spanking-new and proud of it, this residential/shop-tainment development is a jewel on the booming [Alabama](#) Gulf Coast. The 112-foot Ferris wheel claims bragging rights as "the Southeast's tallest." (Open year-round www.thewharfal.com)
